

Used Kiln Plant:

Reference No:	89/4/015 + 016 (F6)
RIEDHAMMER Type	TP 11/2x32/13-ox/G debinding kiln TP 30/32/13-g/E sintering kiln
Kiln type	Pusher type (2 levels) Pushing: hydraulic, lift: electric
Product	Soft ferrites
Year of construction	1989
Kiln length (useful length)	30 m (debinding 2x11m, preheating 10.5m, Sintering 8,5m, cooling 11m)
Useful width	320 mm
Useful height	130 mm
Atmosphere	Air / Nitrogen
Max. operation temperature	1420° C
Heating	Debinding: Natural gas Sintering: Electro
Electrical connection	400V, 50 Hz, 300 kVA
Location	Czech Republic
Available	As of now
Accessories	
Remarks	Inspection every time possible
