

Second-hand Kiln Plant:

Reference No:	70072 (83/4/015)
RIEDHAMMER Type	TP 4-16/30/8.5 g/E
Kiln type	Gastight, electrically heated pusher-type kiln
Product	Soft ferrite or other ceramics
Year of construction	1970
Kiln Length (total)	approx. 21.5 m
Preheating zone - length	8 000 mm
Sintering zone - length	6 000 mm
Cooling zone - length	7 500 mm
Useful height	90 mm
Useful width	340 mm
Max. operation temperature	1400° C
Atmosphere	Air, nitrogen
Heating medium	electricity
Electric connection	approx. 200 kVA
Location	Czech Republic
Effective availability	immediately
Reconstruction of measuring and regulating equipment	1996 – ref. no. 95/4/365
Remarks	Visit possible at any time
