

Used Kiln Plant:

Reference No:	93/4/012 + 013 (F1)
RIEDHAMMER Type	TP 12/2x32/14-ox/G debinding kiln TP 30/32/14-g/E sintering kiln
Kiln type	Pusher type (2 levels)
Product	Soft ferrites
Year of construction	1993
Kiln length (useful length)	30 m (debinding 2x12m, preheating 10.5m, sintering 8,5m, cooling 11m)
Useful width	320 mm
Useful height	130 mm
Atmosphere	Air / Nitrogen
Max. operation temperature	1420° C
Heating	Debinding: natural gas Sintering: Electro
Electrical connection	400V, 50 Hz, 300 kVA
Location	Czech Republic
Available	As of now
Accessories	
Remarks	Inspection every time possible
